

Webiators Advanced Hide Price

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload the all files in 'app/code/Webiators/AdvancedHidePrice folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Stores >> Configuration >> Webiators >> Advanced Hide Price

The screenshot displays the Magento Configuration interface. On the left sidebar, the 'STORES' icon is highlighted with a red arrow. The main content area is titled 'Configuration' and shows the 'Webiators' module expanded in the left-hand menu, with 'Advanced Hide Price' selected. The 'General Configuration' section is visible, featuring an 'Enable' dropdown set to 'Yes' and a list of 'Allowed Customer Groups' including 'NOT LOGGED IN', 'General', 'Wholesale', and 'Retailer'. A 'Save Config' button is located in the top right corner. A red arrow points to the 'Configuration' title at the top of the page.

Enable module from General Configuration and update configurations as per your needs.

General Configuration

Enable
[store view] Yes

Allowed Customer Groups
[store view]

- NOT LOGGED IN
- General
- Wholesale
- Retailer

Product price will be hidden for the selected customer groups only

Send Email To
[store view] test@webiators.com

Note: you can also enter multiple email with comma seperated.

Text Color
[store view] FFFFFF

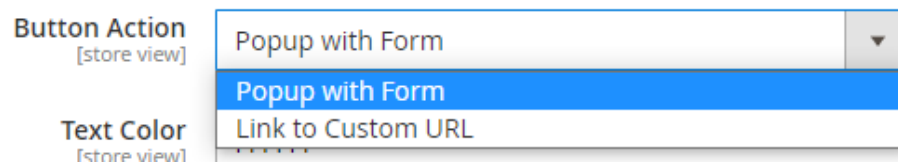

Background Color
[store view] 1979C3

Enable: Set the option to 'Yes' to enable the extension.

Allowed Customer Groups: Select customer groups from which you want to hide price.

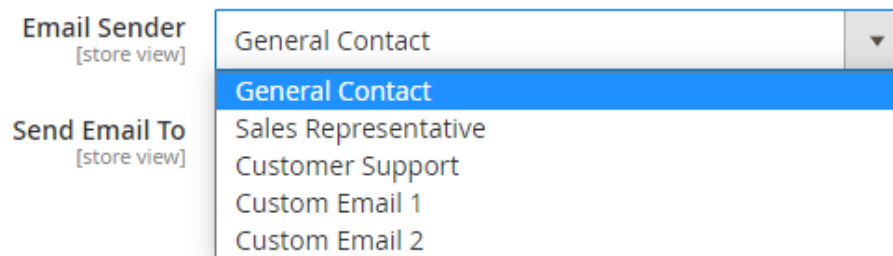

Button Label: Change text for Button Label.

Button Action: Select option for button action.

The image shows a configuration interface with two dropdown menus. The first menu, labeled 'Button Action [store view]', has 'Popup with Form' selected and is open, showing 'Popup with Form' and 'Link to Custom URL' as options. The second menu, labeled 'Text Color [store view]', is partially visible below the first.

Email Sender: Select an email sender for popup form.

The image shows a configuration interface with two dropdown menus. The first menu, labeled 'Email Sender [store view]', has 'General Contact' selected and is open, showing 'General Contact', 'Sales Representative', 'Customer Support', 'Custom Email 1', and 'Custom Email 2' as options. The second menu, labeled 'Send Email To [store view]', is partially visible below the first.

Send Email To: Specify an email address to send a popup form notification

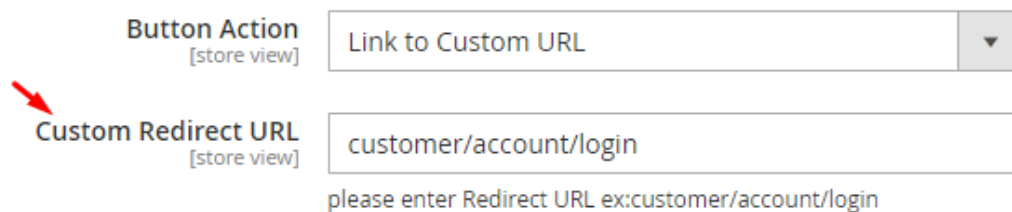

Note: You can also enter multiple emails with comma separated.

Below you'll see 'Advanced Hide Price' popup form.

The image shows a white popup form titled "Product Enquiry For 'Beaumont Summit Kit'" with a close button (X) in the top right corner. The form contains four input fields: "Full Name *", "Email *", "Phone Number *", and "Message *". A blue "Submit" button is located at the bottom left of the form. The background is a blurred screenshot of a website with various text elements like "PERFORMANCE FABRIC", "RECOMM", "Reviews", "L", "N", "E", "re Pro", "no item", "h List", "no item", "nce Fle", and "L".

Custom Redirect URL: For "Link to custom URL" specify the redirect link.

The image shows a configuration form with two main sections. The first section is labeled "Button Action" with "[store view]" below it, and contains a dropdown menu with the selected option "Link to Custom URL". The second section is labeled "Custom Redirect URL" with "[store view]" below it, and contains a text input field with the value "customer/account/login". Below the input field is the text "please enter Redirect URL ex:customer/account/login". A red arrow points to the "Custom Redirect URL" label.

Text Color: Choose the button text color.

Background Color: Choose the button background color.

Customers Submitted Data:

To see the grid please go to **Webiators** → **Customers Submitted Data**

The screenshot shows the Magento Admin interface. On the left, the 'Webiators' sidebar is open, with 'Customers Submitted Data' selected. The main content area displays a grid of customer submitted data. The grid has columns for 'Email', 'Phone Number', 'Message', 'Product Name', and 'Product Sku'. Two records are visible:

Email	Phone Number	Message	Product Name	Product Sku
test@gmail.com	03456725894	this is a test	Sprite Yoga Companion Kit	24-WG080
abcd@gmail.com	03456725894	this is a test message	Joust Duffle Bag	24-MB01

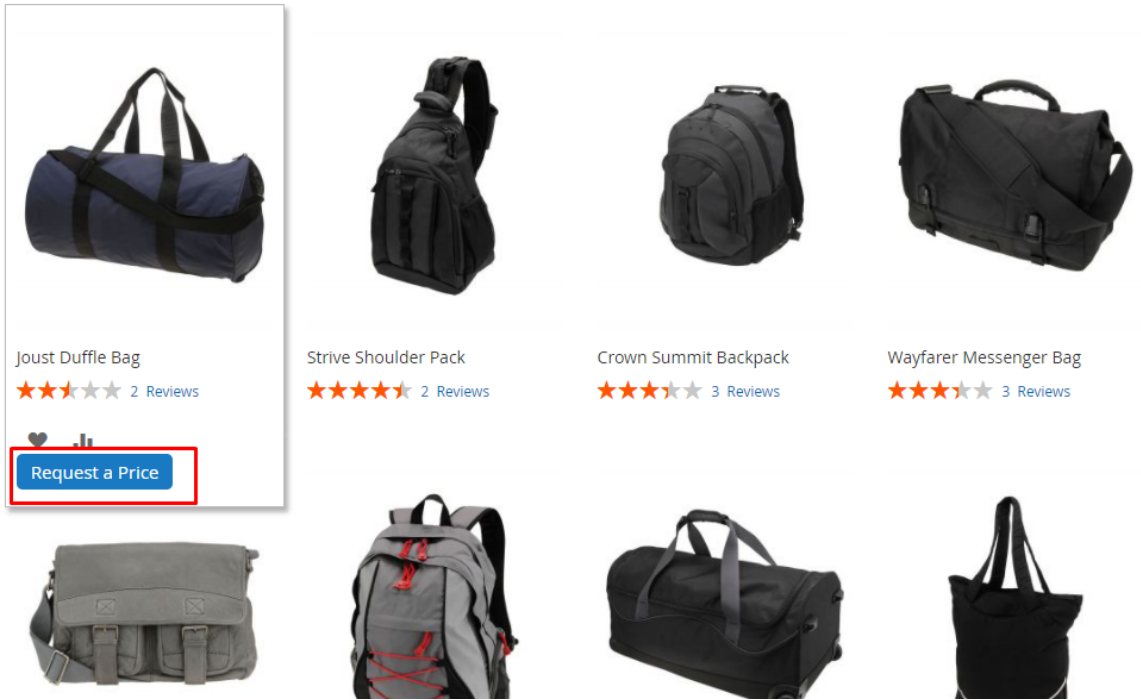

To check all customer submitted data

The screenshot shows the 'Customers Submitted Data' grid in the Magento Admin interface. The grid has columns for 'Id', 'Name', 'Email', 'Phone Number', 'Message', 'Product Name', and 'Product Sku'. Two records are visible:

Id	Name	Email	Phone Number	Message	Product Name	Product Sku
1	Test	test@gmail.com	03456725894	this is a test	Sprite Yoga Companion Kit	24-WG080
2	demo	abcd@gmail.com	03456725894	this is a test message	Joust Duffle Bag	24-MB01
