

Webiators ShareCartOnWhatsapp

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload the all files in 'app/code/Webiators/ShareCartOnWhatsapp folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Store >> Configuration >> Webiators >> Share Cart On Whatsapp

Enable module from General Setting and update configurations as per your needs.

The screenshot shows the Magento Configuration interface. The left sidebar contains navigation options: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. The main content area is titled 'Configuration' and shows the 'Webiators' section expanded to 'Share Cart On Whatsapp'. Under 'General Settings', there are three settings: 'Enable Module [store view]' with a dropdown menu showing 'No', 'Yes', and 'No' (highlighted in blue); 'Enable Bitly URL' with a dropdown menu showing 'No'; and 'Enable Bitly Settings [store view]' with a dropdown menu showing 'No'. A red box highlights the 'Enable Module' dropdown with the text 'Enable Share Cart On Whatsapp Module From Here'. A 'Save Config' button is visible in the top right corner. The user's name 'yogesh' and a notification icon are also visible in the top right.

Share Cart On Button Settings:

Admin will be able to change the position and custom text message of the Share Cart On Whatsapp Button.

The screenshot shows the 'Configuration' page with a sidebar on the left containing menu items like DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. The main content area is titled 'Configuration' and has a 'Save Config' button in the top right. Under the 'WEBIATORS' section, 'Share Cart On Whatsapp' is selected. The 'General Settings' section includes: 'Enable Module' (Yes), 'Admin WhatsApp Number' (input field), 'Button Label On Cart Page' (Share Cart On Whatsapp), 'Custom Text Message For Share Cart items On Whatsapp' (Share Cart Items On Whatsapp), and 'Share Cart On Whatsapp Button Position' (Left Middle). Red arrows point to these fields, with callouts: 'Add Whatsapp Number' for the Admin WhatsApp Number, 'Edit Message' for the Custom Text Message, and 'You Can Change Share Cart Button Position' for the Button Position. Below this is the 'Enable Bitly URL' section with 'Enable Bitly Settings' (No).

Bitly Settings

Please go to Bitly setting Group, enable the option and add Generic Access Token.

NOTE: You can get your token from [here](#)

The screenshot shows the 'Configuration' page with the 'Share Cart On Whatsapp' option selected in the sidebar. The 'General Settings' section is visible, but the 'Enable Bitly URL' section is expanded. It includes: 'Enable Module' (No), 'Enable Bitly Settings' (Yes), and 'Generic Access Token' (input field). Red arrows point to the 'Share Cart On Whatsapp' option in the sidebar, the 'Enable Bitly URL' section header, and the 'Enable Bitly Settings' dropdown. A callout 'Enable Bitly Setting For Shorting Url' points to the 'Enable Bitly Settings' dropdown. The 'Save Config' button is visible in the top right.
