

Webiators Share On Whatsapp

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload all files in 'app/code/Webiators/ShareOnWhatsapp folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Store >> Configuration >> Webiators >> Share On Whatsapp

Enable module from General Setting and update configurations as per your needs

The screenshot displays the Magento Configuration interface for the 'Share On Whatsapp' module. The left sidebar shows the navigation menu with 'Webiators' and 'Share On Whatsapp' highlighted. The main content area shows the 'General Settings' section with the following configuration options:

- Enable Module** (store view): Set to 'Yes'. A red box highlights this setting with the text 'Enable Share On Whatsapp Module From Here'.
- Enable "Share on Whatsapp Button"**: This option is present but not explicitly configured.
- Enable For Product Page** (store view): Set to 'Yes'. A red box highlights this setting with the text 'Enable Share On Whatsapp For Product Page'.
- Enable For Category Page** (store view): Set to 'Yes'. A red box highlights this setting with the text 'Enable Share On Whatsapp For Category/List Page'.
- Custom Message to Share** (store view): Set to 'Check this Amazing Product'. A note below indicates 'This message will be first sentence in whatsapp message.'

A 'Save Config' button is located in the top right corner of the configuration area. A notification banner at the top of the page states: 'Task "Rule processing: 2": 1 Item(s) have been scheduled for update.'

The screenshot shows the 'Configuration' page in the Webiators dashboard. On the left is a vertical sidebar with icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, System, and Find Partners & Extensions. The 'Stores' icon is highlighted with a red arrow. The main content area is titled 'Configuration' and has a 'Save Config' button in the top right. A left-hand menu lists categories: WEBIATORS (expanded), Share On Whatsapp, GENERAL, CATALOG, SECURITY, CUSTOMERS, SALES, YOTPO, and DOTDIGITAL. The 'Share On Whatsapp' item is also highlighted with a red arrow. The main settings area is divided into sections: 'General Settings', 'Google Analytics UTM Tracking Settings', and 'Bitly Settings'. The 'Bitly Settings' section is highlighted with a red arrow and contains a dropdown menu labeled 'Enable Bitly Settings [store view]' with the value 'No'. A red box labeled 'Enable Bitly URL' with an arrow points to the dropdown menu.
