

Webiators TopScrollBar

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload the all files in 'app/code/Webiators/TopScrollBar folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

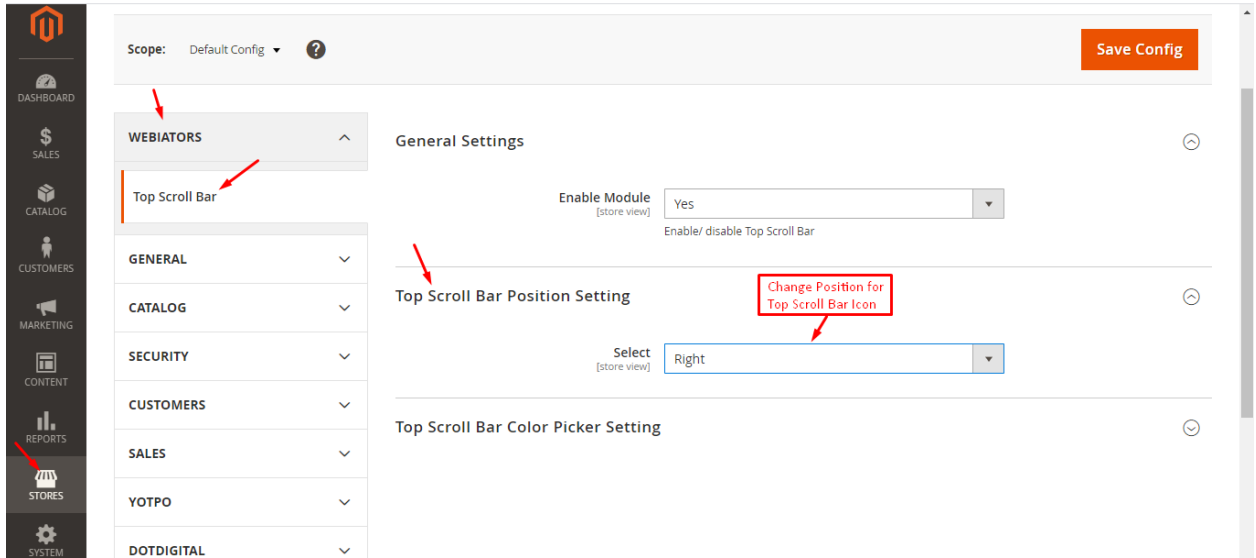

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Store >> Configuration >> Webiators >> Top Scroll Bar

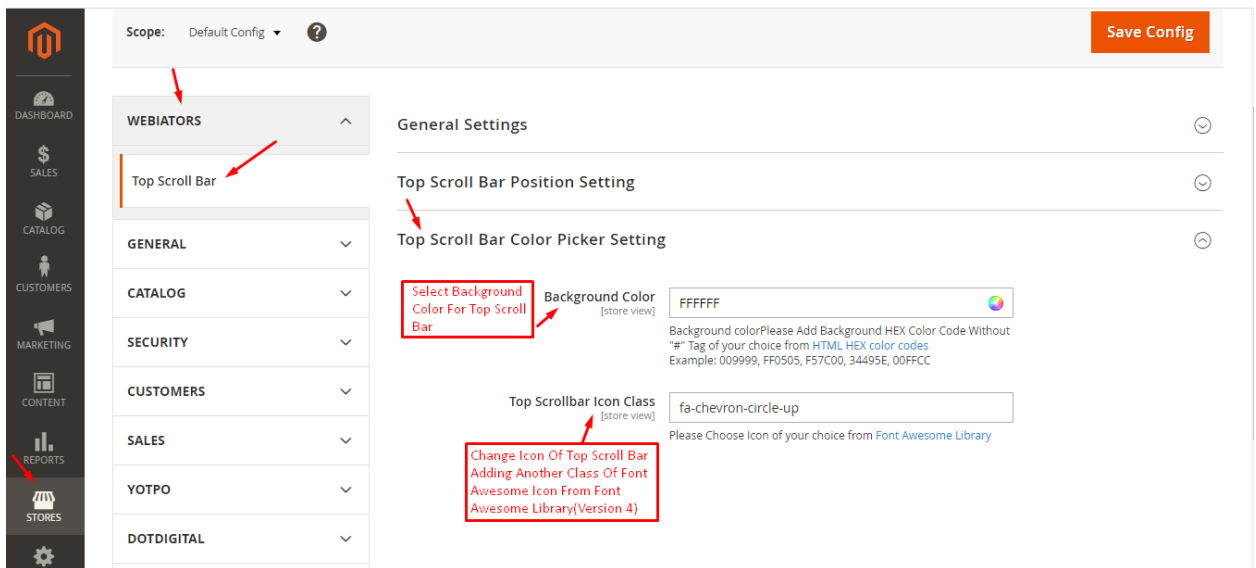

Enable module from General Setting and update configurations as per your needs

The screenshot shows the Magento Configuration interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, and Stores. The main content area is titled 'Configuration' and shows the 'Scope' set to 'Default Config'. A 'Save Config' button is in the top right. The 'WEBIATORS' section is expanded, showing 'Top Scroll Bar' as the selected module. Under 'General Settings', the 'Enable Module' dropdown is set to 'Yes'. A red box highlights this dropdown with the text 'Enable Top Scroll Bar Module From Here'. Below this are sections for 'Top Scroll Bar Position Setting' and 'Top Scroll Bar Color Picker Setting', both with expandable icons.

Select Top Scroll Bar Position as per your choice

Select Top Scrollbar colors and add font awesome 4 icon class as per your choice
