

Webiators Quote On Whatsapp

How to Install: Download the "Ready to paste" package from your customer's area, unzip it and upload the all files in 'app/code/Webiators/QuoteOnWhatsapp folder to your Magento install dir.

Update the Database: Move to Magento Root directory with CLI and execute below commands

- php bin/magento setup:upgrade
- php bin/magento setup:di:compile
- php bin/magento setup:static-content:deploy
- php bin/magento cache:flush

How to Use: Go to Admin Panel ⇒ Store ⇒ Settings ⇒ Configuration ⇒ WEBIATORS ⇒ Quote On Whatsapp.

The screenshot shows the Magento Admin Panel Configuration page for the WEBIATORS module. The page title is "Configuration". In the top right corner, there is a search icon, a notification bell with a red circle containing the number 6, and a user profile icon labeled "yogesh". Below the title, there is a "Scope" dropdown menu set to "Default Config" with a question mark icon, and a "Save Config" button. The left sidebar shows a tree view with "WEBIATORS" expanded, and "Quote On Whatsapp" selected. Below the sidebar, the "General Settings" section is visible. It contains two configuration items: "Enable Module" with a dropdown menu set to "Yes", and "Admin WhatsApp Number" with a text input field. Below the input field, there is a note: "Full phone number in international format. Example: +6285xxx".

General Setting:

Enable Module: choose 'Yes' to enable the module.

Admin Whatsapp Number: Admin will add active “**Whatsapp Number**” on which Communication will be done via customer.
